2nd May 2001

Dear Bill

## **G.S.P. Isle of Mull Sevens** **Update on Foot and Mouth Situation**

Mull Rugby Club met last week with the local Foot and Mouth Action Group. The club had been very much hoping to recommence playing rugby. However, unfortunately, a few days prior to this meeting all restrictions had been reintroduced to Mull. This effectively "ring fences" the island again.

In view of the above circumstances Mull Rugby Club very much regrets that it has taken the decision to cancel this years Hydro Seafood GSP Mull Sevens on May 12th. This has been a heartbreaking decision for the club to make. Please accept our clubs regret at the present situation and pass on our apologies for any inconvenience caused.

We are now looking forwards to next years sevens and will strive to make it the biggest ever.

Our very best wishes.  
Yours sincerely

Duncan Swinbanks  
Hon Secretary Isle of Mull R.F.C.
