WHAT'S IT ALL ABOUT?

The Mull Lottery was introduced to Mull by Mull Rugby Club to help to pay for the upkeep and running of the Garmony sports facilities and support sport on our Island. Garmony is the only grass sports field on Mull. Over the years the success of the facility has led to spiraling costs.

There are agencies and agents through-out Mull selling tickets for the Lottery however numerous enquiries have requested an easier way of supporting Mull Sports and of course the opportunity to WIN.

The odds of winning Mull's own three number lottery are greater than winning an equivalent amount on the National Lottery. In fact I'm sure you will know a winner!

The standing forecast enters you in all the prize draws. No more worries of missed tickets or being away and get two weeks FREE!

Every week you could be a winner. Simply fill in your choice of numbers (three numbers from 1-20 inclusive). If there is no winner the jackpot rolls over to the next week and so on until it is won. If the jackpot was to reach £2,000 the draw would carry on until there was a winner (at over £2,000 taxation becomes an issue).

The cost is only £1 per line per week
